DETAILED ACTION

Priority

1. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Allowable Subject Matter

2. Claims 1-28 are allowed.
3. The following is an examiner's statement of reasons for allowance: Prior art of record do not teach or suggest a recording method and apparatus for recording an image on a support member using a transfer sheet in plural recording operations to effectively utilize resources and to reduce manufacturing cost by a decrease in the amount of the material (transfer sheet) to be used. According to the claimed invention, the transfer sheet separated from the support member is held and the support member obtained after the recording operation is delivered out, while when a recording position of the held transfer sheet is to be detected and the transfer sheet obtained after the separation is to be returned onto the recording surface of the support member which is then delivered a returning position of the transfer sheet is changed and superposed based on a result of the detection of the recording position or is superposed on almost the same position as that set before the separation to change image data to be recorded based on the result of the detection of the recording position, and the recording operation is thereafter carried out over the support member by using an unrecorded section present between recorded stripes of the transfer sheet.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Huan H. Tran whose telephone number is (571) 272-2261. The examiner can normally be reached on at work on W-F from 6:30 to 5; T are telework days.

Art Unit: 2861

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Talbot can be reached on (571) 272-1934. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
